a. Size of physical plant	1	2	3	4	5	i. Services from support units	1	2	3	4	5
b. Condition of physical plant	1	2	3	4	5	j. Teacher satisfaction and morale	1	2	3	4	5
c. Number of regular teachers	1	2	3	4	5	k. Student satisfaction and morale	1	2	3	4	5
d. Number of specialized teachers	1	2	3	4	5	l. Library facilities and materials	1	2	3	4	5
e. Availability of other professionals	1	2	3	4	5	m. Audiovisual facilities and materials	1	2	3	4	5
f. Teacher competences	1	2	3	4	5	n. Science labs	1	2	3	4	5

Goal A - Essay Performance	
A-1 (L) Famous Person (Low) A-2 (M) Famous Person (Medium) A-3 (H) Famous Person (High)	Most of us look up to some famous person as a representative of the things we believe in or as the kind of person we would like to be. This person may come from any part of our society. For instance, we might admire Winston Churchill or Martin Luther King, Jr., Walter Schirra or Mickey Mantle, Florence Nightingale or Barbra Streisand. No matter where this person comes from or what kind of work he or she does, however, we can recognize such traits of greatness as determination, physical courage, the ability to inspire others, and faithfulness to some worthy cause. Think about a famous person whom you admire. Select a particularly admirable characteristic or quality of that person--such as Mickey Mantle's courage in the face of crippling physical handicaps or Florence Nightingale's determination to fight against strong governmental pressure. Write an essay of about 200-250 words describing this characteristic or quality. Be sure to provide an illustration of it from the person's life. Try to show that the person is great at least partly because of this characteristic or quality. Results report three categories of merit--low, medium, high.
